THE APP GAME

She was an model, tall with smooth, soft flesh and long, bright hair. To my surprise, however, she was typing back almost immediately after getting my first message.

I've never really been much of a tech kind of person. So, it took me a while to try a dating app. With a big Halloween party coming up and a downtown club, I wanted – no, needed – a hot date on my arm. So I'm on my phone calling female friends, with no success. Now I'm forced to try these damn dating apps. Then, even when I tried it, I had difficulty connecting with anyone at first. I struggled with starting messages, especially not knowing if I would get anything back. I still kept trying, though, because I still met different kinds of girls than I normally did.

As the time to the party wore down to a couple weeks, I finally got through. Maria was one of those girls I would message but didn't feel much hope for much of a response. She was an model, tall with smooth, soft flesh and long, bright hair. To my surprise, however, she was typing back almost immediately after getting my first message. We started talking, mostly about our nerves. I invited her to the Halloween party and to my surprise, she accepted. We both admitted that we weren't sure what to expect

but wanted to keep talking and after a few days, we agreed to meet at my place.

I had on some soft music and cooked an overly-elaborate dinner when she got there. I wasn't sure at first, but it became easier as the night went on. With a little bit of wine, we started talking about dating apps, and I admitted how they frustrated me. She pulled out her phone and showed me how the different apps worked. The shocking thing was that she wasn't showing me her list of men but several other women, each showing more and more in their pictures. I tried hiding my red face and growing erection, but she put me at ease by moving my hands and reaching for my already hardening dick. She told me it was all right to look, and that she wanted to know who I was interested in.

She gave me the phone as she undid my jeans, releasing my hard cock. She told me to start swiping as she leaned down, licking at my head and slit. I moved through the pictures on her apps, still

shocked that she was so okay with this, even encouraging it. All sorts of girls flashed in front of my eyes. A blonde spread her legs with a skirt barely covering her crotch, a redhead showing off her enormous boobs popping out of tight lingerie. There was an office worker bent over, showing off her ass in a tight thong on her desk. Each time I came across one who caught my attention, my dick jumped. Maria noticed each leap and smiled at me, leaning up to get a glance at who I was looking at, approving each time.

Maria worked down my shaft, taking me balls deep before flicking at my head then going to the balls again. After a few minutes, she deftly grabbed the phone and changed apps and told me to try that one, smiling at me with her luscious lips still managing to dance over my meat. I looked at what she gave me and almost burst right there. While the last app showed girls that were teasing, the girls on this app weren't even trying to hide anything. Their massive melons were fluffed up, their legs splayed open wide, some with their fingers playing with themselves. I gasped as Maria managed to swallow all of me and finally put the phone down, looking down at her, eyes wide to see that she had undressed before I realized it.

She held my gaze, her smile growing as she asked if I liked what I saw. As much as I did, I had to admit that I liked what was in front of me better.

I pulled her up on my lap and let her start brushing her shaved crotch against me while I admired the perky nipples that pressed into my solid chest. Our lips met, and she didn't take long to slide onto my dick, sending waves of energy through both of us. She was tight, but knew how to work her muscles and crotch, grinding away at me. Each time she squeezed and loosened, that feeling of passion and energy only grew inside me.

Eventually, she rolled on her back and pulled me with her, encouraging me to take over. I pulled her up and started to plow hard and deep. The sense of pleasure surged through me, bringing moans from both me and Maria that I passed back to her by leaning in and making out with her, hard. It wasn't long before I let loose, and I spilled so much that it pumped back up out of her and down her ass. With a deep moan, she ran a finger between her legs, taking a large amount of my juice and licking it off her finger sensually and sending me back into a frenzy again!

Maria and I have been seeing each other for six months, and she keeps finding new ways to surprise me in bed by looking at what others post on the apps. Oh, about the Halloween party... we decided not to go but stayed in and fucked each other with our masks on. Mine was a devil and she was an angel, and that night was – hot as hell!

BIANCA, SASHA & VIOLET

There's nothing like an outrageous glam party to bring out the fetish in you, especially if you're smoking hot lesbians. Our amazing trio want more than to party and lick pussy. And there seems to be plenty to go around. They're working hard to be sure not to leave any part of their delicious pussies dry. Lick on.

TASHA

When asked what she was going to dress as for this Halloween, Tasha just smiled and raised her bat mask. Danny was going as a king with a cheap crown, a plastic sceptre, and a huge stiffie. That was enough to get busy on that hard on. The night ended with Danny dropping a treat on her boobs.

HANNAH & ANASTASIA

From the moment these two found out they liked girls, they knew they were going to have fun exploring each other's bodies. And what better way than to do that as they are trying on costumes for their party tonight. Making out soon turns into eating out, and then they finger each other before bringing their huge dildos into play, and ultimately cumming together.

TOMMIE JO, EMMA, LAUREN & NATASHA AND GEMMA, DANI & ELLA

What's a poor wizard to do when a full coven of witches comes to his classroom to party and enjoy their witch's brew? Why – fuck them all, of course (or at least most of them). And with a flick of his wand their garbs slowly disappear as soon as his cock appears before them. Fortunately for them, it will stay hard all day long to satisfy all their witchy needs.
